

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

2.6 Innovative processes adopted by the institution in Teaching and Learning:

The present system of teaching and learning involves active participation of both faculty and students in a bidirectional way. The students are encouraged to participate in departmental seminars and to deliver speech on the topic of their choice. Besides, the students are encouraged to carry out short term projects based on curriculum. Field visits and educational excursions are also carried out from time to time to acquaint the students in their respective discipline with the real life situation. Teachings through audio-visual aids were routinely carried out in the two well equipped smart class rooms to elicit subject interest among students. The central library as well as departmental library serves as an added advantage to student community in terms of issue and consultation of books and other study materials. Moreover, provisions are there to provide printed study materials in some departments. Students are also provided Xerox facility at a subsidised rate in the college library.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision

The institution is committed to provide excellent infrastructure with modern facilities and impart quality education for enriching knowledge, skill and personality conducive for life time enrichment and welfare of the society.

Mission

To provide an environment in which its pupils can discover, examine, preserve and transmit knowledge, wisdom and value that will help to ensure the survival of present and future generations with enrichment in the quality of life.

The mission statement of the institution clearly addresses the needs of the contemporary society in terms of by transmitting knowledge, wisdom and value which tries to ensure the survival of society with significant improvement in the quality of life. The institute aims to serve all its students coming from different sections and backgrounds of the society and puts particular emphasis on the upliftment of the student from under privileged categories. The mission and vision of the institution define its tradition and commitment for a better future through the emphasis on inculcating social responsibility, spirit of team work and sense of cooperation, leadership quality and helping attitude and realization of the importance of education in the students.

6.2 Does the Institution has a management Information System

The College ensures a system of participative management whereby information flow and decision making processes are systematised and channelled through all key constituents of the College. The suggestions given by the Governing Body and directorate of higher education are implemented by the various administrative offices, under the leadership and guidance of the Principal. The Heads of departments ensure the smooth functioning of the activities of the department in collaboration with other members of the department. Regular staff meetings are held to discuss and decide on matters relating to academics and administration. For the smooth and effective functioning of the College, interactions with stakeholders comprising of faculty, parents, alumnae and the students, are regularly organised. Feedback received from faculty, students, alumnae and other stake-holders are considered for continuous review and revision which are relevant to the changing needs of higher education.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

To monitor the academic progress of each semester every departments distribute units and allot classes to the teaching members at the departmental meeting. To monitor the academic progress every department appoints a course coordinator in each semester. Apart from the conventional teaching methods, teaching aids including charts, maps, models, projectors, power point presentation and other tools are also used for effective implementation of the curriculum. Workshop and seminars are conducted at regular intervals for the benefits of the students based on course curriculum.

6.3.2 Teaching and Learning

- Enrichment of library with new books, e-library facility, INFLIBNET facility etc.
- Use of ICT based class rooms by the faculty members.
- Students' performance is also assessed by conducting continuous assessment tests, assignments, projects etc.
- Updating faculty members through participation in Refresher and Orientation course from time to time.
- Faculties were also encouraged to involve themselves in updating their knowledge through active participation in seminar and workshop and other knowledge building platforms.

6.3.3 Examination and Evaluation

There are two parts of evaluation- In-Semester and End-Semester. In-Semester consists of two sessional examination, seminar/ group discussion and attendance. The In-Semester evaluation process is done by the individual departments. The End-semester evaluation is controlled and conducted by the Dibrugarh University. Besides their regular class tests are conducted to assess the performance of the students.

6.3.4 Research and Development

To promote research activities the college has constituted a research committee comprising of a few experienced faculty members who have exposure to research. The committee conducts training programme on preparation of research project proposal and research report. The committee also gather information regarding various funding agencies communicates the same to the faculty members. The award of major and minor research projects to faculty and collaborations between faculties of different departments underscore the growing importance given to research in the College. Some departments encourage undergraduate research in various ways –by way of projects, seminar papers and assignments. Dr. Hemen Sarma, Faculty from the Department of Botany got selected for doing Post Doctoral research at University of Texas.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library:

Well equipped central library for both students and faculty are available. Online resource like INFLIBNET is also available. Photocopy facility is also available for faculty and students at subsidised rate.

ICT:

The ICT facilities and other learning resources are adequately available in the institution for academic and administrative purposes. The institution deploys and employs ICTs for a range of activities. In keeping with rapid advancements in technology, and for students to benefit from state-of-the-art equipment, the College has set up four SMART Boards in selected classrooms located in different buildings on campus. Additionally, every department has been provided with a desktop. Departments having practical class have over-head projector. A computer lab provides opportunities for hands-on training.

Physical Infrastructure/Instrumentation:

One auditorium, one seminar hall, 20classrooms (four class rooms equipped with SMART Boards), buildings to house administrative offices, staff rooms, well equipped laboratories, library, students' common room (one each for boys and girls), games field, canteen, parking area for students and staff are provided. In order to ensure safety and security of the campus community, the College is under central surveillance with the installation of CCTVs at several locations on campus. Fire extinguishers have been installed on campus at vital location. The last re-accreditation cycle fore-grounded the need for the College to respond to the growing importance of developing a vibrant research culture on campus. As a first initiative to enhance infrastructure to facilitate research and enrich the teaching-learning process, the biotech hub was set up with sophisticated equipment.

6.3.6 Human Resource Management

The institution adopts a participatory and all encouraging strategy in respect of its human resource management. In all the vital decision making process the institutions involves its human resource, which is the faculty members and staff and seeks their suggestions and position on the vital issues. So far governance and leadership are concerned a decentralised strategy particularly in the area of academic issues is preferred. The various committees, subcommittee, clubs, examination committees include the commitment of the institute towards participatory strategy for academic achievement and human resource management.

6.3.7 Faculty and Staff recruitment

The Principal reviews the existing vacant positions for various teaching and non-teaching positions and accordingly seeks permission from Director of Higher Education (DHE), Assam for advertisement and recruitment. Advertisements inviting applications from qualified candidates are published in leading newspapers of the region. Applicants who meet the eligibility criteria laid down by the UGC and the DHE, Assam are called for an interview. The selection committee selects the eligible candidates and the Governing body approve the appointments through prescribed procedures and forward the same to the DHE office for approval of appointment. The selection panel consists of the Chairman of the Governing body, Principal as Member Secretary, Head of the concerned department, two external subject expert nominated by the Chairman and two experts nominated by the Vice Chancellor of Dibrugarh University for faculty recruitment and President of Governing body, Principal and two senior faculty members for recruitment of staff.
