

Talk Programme on “Health Care of students and the role of mothers” at Shankardev M.E. School, Bogi Aai, Titabar

The Geographical Forum of Geography Department organized a talk programme at Shankardev M.E. School, Bogi Aai, Titabar on 12th November, 2024. The topic of the talk was “Health Care of students and the role of mothers”. The Head Mistress of Shankardev M.E. School, Mrs,. Ruma Bordoloi Mahanta presided over the meeting. Former SDMO of Nakachari Block PHC Dr. Biru Borkakoty was invited as the Resource Person in the programme. Dr. Jonali Saikia Borkakoty, HoD of Geography department and the president of the geographical forum explained the need and relevance of such programmes. Retired Head Master of the school Mr. Keshav Mahanta was also present in the programme and in his speech he admired the steps taken the forum to organize such programme in that school and requested for more this kind of initiatives. The students and teachers of Shankardev M.E. School, the guardians, especially the mothers and teachers of Department of geography, Nanda Nath Saikia College were present in the programme as the audience. Renewed doctor of the area Dr. Borkakoty very impressively elaborated the role of the mothers in taking care of their children in general and during their illness especially. There was an interaction session where the Resource Person answered different questions asked by the mothers and cleared their doubts on various things relating to health issues. About 35 guardians were present in this programme.
