Educational Tour to Bogibeel and Sivasagar

An educational tour to Bogibeel and Sivasagar was organized by the students of the Department of History, N.N. Saikia College under the guidance of Dr. Rabindra Bordoloi and Mr. Rajib Das on 04th January, 2022. A total of 35 students of B. A. 2nd, 4th and 6th Semesters participated in the said tour. The main purpose of this tour was to explore the historical as well as tourist aspects of Bigibeel region of Dibrugarh district. The distance from Titabar to Bogibeel is around 15 K.M. and the students have started their journey at 5a.m. in the morning and arrive Bogibeel at 9a.m. Some of the students have prepared their own report on the Bogibeel region and the bridge built on the river Brahmaputra which connects Dibrugarh with Dhemaji districts of Assam.

After completion of the Bogibeel tour the students with their teachers have visited Sivadol. Siva dol (meaning the temple of the Lord Shiva) is a group of structures comprising three Hindu temples of Sivadol, Vishnudol (meaning temple of the Lord Vishnu) and Devidol (means temple of the Goddess Devi Durga in the local Assamese language) shrines, and a museum. These are located on the banks of the Sivasagar tank, also known as the Borpukhuri tank, in the heart of Sivasagar, in the Indian state of Assam. The tank was constructed between 1731 and 1738 and the temples were built in 1734 by Bar Raja Ambika, queen of Ahom king Swargadeo Siva Singha (1714–1744). The height of the Sivadol (*dol* means temple in Assamese) is 104 feet (32 m) and the perimeter is 195 feet (59 m) at the base. It is crowned with an 8-foot (2.4 m) high golden-dome. After visiting Sivadol returned to Titabar and arrive here at 7p.m.
